DESCRIPTION

What is Weleda White Malva Body Milk for?

White Mallow Body Milk is formulated with organic extracts of white mallow and pansy, which have soothing properties for skin prone to irritation. This lotion also contains organic coconut and sesame oils, which provide intensive care and deep hydration. In addition, its refreshing and calming formula is ideal for sensitive adult skin. This range has been subjected to dermatological tests on sensitive and atopic skin, and its ingredients are 100% natural, without essential oils or perfumes that can cause irritation.

What are the benefits of Weleda White Malva Body Milk?

White Malva Body Milk is a product that provides deep and long-lasting hydration to flaking skin, at the same time that provides relief and calms itching and discomfort that may arise due to irritations or atopic dermatitis. Thanks to its natural ingredients such as white mallow, pansy, coconut oil and sesame oil, this body lotion is gentle and effective in skin care.

Unlike other body lotions, White Mallow Body Milk is suitable for adults, especially those who have sensitive or irritation-prone skin. Its formula free of essential oils and perfumes make it an excellent option for people looking for a gentle and effective alternative in skin care.

In addition, this body lotion is suitable for celiacs, since it does not contain gluten or other ingredients that can trigger an allergic reaction. It is important to note that this range has been subjected to dermatological tests on sensitive and atopic skin, thus ensuring its efficacy and safety for skin care.
