EAN: 7613287961297 FABRICANTE: WOBENZYM

Food supplement with highly active enzymes, designed to keep you moving.

DESCRIPTION

What is Wobenzym Forte?

Food supplement with highly active enzymes, designed to keep you moving in a natural way. Helps **keep you active in a natural way**.

It is recommended **3 capsules a day for 15 days**.

The German brand Wobenzym has a long history of more than 50 years in enzyme-based products and is present in 30 countries.

Wobenzym is a combination of enzymes bromelain and trypsin with flavonoid rutin, designed to help you actively participate and enjoy life in a natural way.

- **Bromelain** : is a proteolytic enzyme of plant origin, obtained from the stem of pineapples.
- **Trypsin** : It is an enzyme of animal origin that is found naturally in mammals.
- **Rutin** : is a bioflavonoid, a plant active ingredient found in vegetables, green tea, and other plants.

Protected from the gastric environment, the enzymes are absorbed in the intestine and reach the bloodstream.

How is Wobenzym taken?

Take **3 capsules a day** with at least 200 ml of water.

To preserve enzymatic activity, it is recommended to take Wobenzym at least **45 minutes before food**.
