EAN: 8412016371951    FABRICANTE: YNSADIET

*Meladormina Plus is a food supplement from Vinnea laboratories, suitable for vegans, gluten-free and therefore suitable for celiacs. Meladormina Plus is indicated to fall asleep and helps reduce the time needed to fall asleep.*

### DESCRIPTION

#### What is Meladormina Plus from Vinnea laboratories?

Meladormina Plus is a food supplement based on Melatonin plants, a hormone responsible for the sleep cycle.

#### What is Meladormine Plus used for?

Meladormina Plus is indicated for those people who find it difficult to fall asleep, because Meladormina Plus makes the time needed to fall asleep shorter, therefore it facilitates the speed to fall asleep.

#### How is Meladormine Plus taken?

Meladormina Plus is taken orally: Take one vegetable capsule twenty minutes before going to bed.

#### What composition does Meladormina Plus have?

Meladormina Plus contains per capsule:

California poppy dry extract 117mg  
Passionflower dry extract 117mg  
Melissa dry extract 36mg  
Linden dry extract 18mg  
Valerian dry extract 12mg  
Melatonin 1.8mg

Ingredients per Capsule: Anti-caking agents (Corn starch, Cellulose, Magnesium stearate, Talc, Silicon dioxide), California poppy dry extract (*Eschscholzia californica* Cham, aerial part), Passionflower dry extract (*Passiflora incarnata* L., aerial part), Lemon balm dry extract (*Melissa officinalis* L., leaf), Linden dry extract (*Tilia platyphyllos* Scop. et *Cordata* Mill, flower), Valerian dry extract (*Valeriana officinalis* L. *Repens*, root), Melatonin powder.
