DESCRIPTION

Simple yoga to strengthen the spirit : In ancient times, people practiced this exercise to elevate their mood. Stand with your legs as wide apart as possible without losing your balance. The arms are close to the sides of the body, with the elbows bent at 90 degrees, the forearms parallel to the ground, and the hands relaxed. Keeping your feet firmly in place, rotate your hips in a wide circle, first to one side for 1-3 minutes, then to the other side for 1-3 minutes. Then just relax.
