

Dermovance 30 Tablets

EAN: 3256985545150

FABRICANTE: YSONUT

Dermovance is a food supplement from the Inovance laboratory, rich in antioxidants that protect against free radicals linked to the sun and responsible for premature skin ageing.

DESCRIPTION

I want to prepare my skin for the summer. What can I take?

If you want to prepare your skin for the summer, we recommend Dermovance, whose Extramel melon extract is a powerful antioxidant to combat skin aging. You should take one tablet a day, in the morning with a glass of water.

I want to prevent skin aging. What can I take?

If you want to prevent skin aging you should take Dermovance from Inovance laboratories, whose composition of plant extracts, borage oil, antioxidant vitamins A and E and selenium are responsible for premature skin aging. You should take one tablet a day, in the morning with a glass of water.
