Inulivance is a synergistic association of inulin, lemon balm and chamomile to promote transit and digestion. Inulivance produces a relaxing and antispasmodic effect. Does not contain GMOs.

DESCRIPTION

What is Inulivance?

Inulivance is a food supplement from Inovance laboratories, based on chicory inulin and plant extracts. Inulivance is an amino complexed formula with hydrolyzed rice proteins for better tolerance and speed of action. Inulivance does not contain sweeteners.

What is Inulivance used for?

Inulivance is indicated to improve intestinal transit, when suffering from constipation. Inulivance is also indicated to maintain the intestinal flora with natural fibers, which are not irritating.

How should I take Inulivance?

Pour two scoops of inulivance into 100 ml of water. You must mix well and consume at the same time.

In the case of children between 3 and 11 years old, they can take two dispensers a day.

In the case of adolescents and adults they can take between two and six dispensers a day.
