

## Reglucid 90 Tablets

EAN: 8491112450005

FABRICANTE: YSONUT

*Reglucid is a food supplement with double action: on the one hand it controls blood glucose and on the other it has an antioxidant action, exerted by polyphenols and resveratrol.*

### DESCRIPTION

#### What is Reglucid and what is it used for?

Reglucid is a food supplement based on chromium, plant extracts, arginine, lipoic acid, zinc, selenium and vitamins B1, B3, B8.

Reglucid is used to control diabetes, and in cases of insulin resistance.

#### How much Reglucid should I take?

Reglucid is taken orally: Take half a tablet a day, with a glass of water, either in the morning or at night.

Prices valid except for changes on our website. (IVA/VAT) included. Doc. Version bf-trf-G-20240125
