

## Sodium 60 Tablets

EAN: 3245874587463 FABRICANTE: YSONUT

*Inovance Sodium is a food supplement, they are gastro-resistant tablets with optimal dosage for practical use. Sodium is used for those specific salt needs.*

### DESCRIPTION

#### What is Sodium and what is it used for?

Sodium is a food supplement based on sodium chloride: 500 mg of NaCl per tablet. The protein diet is deficient in sodium, unlike the usual diet, which often contains too much salt.

#### What dose should I take of Sodium?

Sodium taken orally: Take 1 to 6 tablets, depending on the type of protein diet.
