Vitaminum is a food supplement rich in vitamins and minerals. Vitaminum serves to reduce tiredness and fatigue and bring dynamism to our body.

DESCRIPTION

What is it and what is Vitaminum used for?

Inovance Vitaminum is an Inovance food supplement, based on 11 vitamins and 4 minerals that contribute to normal energy metabolism and reduce fatigue.

Vitaminum consists of an amino-based formulation for better assimilation of micronutrients and faster action.

Vitaminum contains brewer's yeast which provides natural B vitamins.

I always feel tired. What can I take?

If you always feel tired, you can take Vitaminum, which is a vitamin complex that does not contain iron or selenium and that will help reduce fatigue and give you dynamism.

How should I take Vitaminum?

Vitaminum is taken orally: Adults and adolescents should take one tablet a day, in the morning, with a glass of water.
