L-Carnitine with Synephrine from Naturlider, is specially designed for sports lovers, and is the ideal choice, as it helps you achieve the goals you have set for yourself. With L-Carnitine and Synephrine, you can improve your diet with essential nutrients to lead a healthy and balanced life.

DESCRIPTION

What is Naturlider L-Carnitine and what is it for?

L-Carnitine Naturlider is a food supplement that is used for the treatment of overweight and obesity, in caloric restriction diets, helping to lose fat and avoiding the rebound effect.

L-Carnitine increases performance in athletes, by favoring the use of fat by muscle as a source of energy.

L-Carnitine with Synephrine from Naturlider, provides 1500 mg of L-Carnitine and 6 mg of Synephrine per daily dose from a natural source, such as the dry extract of Orange (Citrus aurantium). This combination enhances the effect of L-Carnitine.

With a pleasant lemon flavor.

What are the ingredients of Naturlider L-Carnitine per 30 ml?

The ingredients of L-Carnitine from Naturlider are:

- Water
- Thickener (Glycerin)
- L-Carnitine base 1500 mg
- Orange dry extract (Citrus aurantium L., fruit, 6% Synephrine) 100 mg
- Preservative (potassium sorbate)
- lemon flavor powder
- Acidity corrector (citric acid)

When is it indicated to take L-Carnitine from Naturlider?

L-Carnitine from Naturlide is indicated in:

- Calorie restriction diets, helping to lose fat and avoiding the rebound effect.
